

Who We Are ...

Victor Community Church is a vibrant, growing family church in Victor, NY.

We worship God in an upbeat, contemporary style and we teach straight from the Bible. We encourage you to come and visit us any Sunday morning at 10am; if you have questions, we're always available to answer them. We look forward to seeing you soon!

A Little History ...

VCC started as some folks in Victor wanted to have a family church that was in their own community. That group of 23 started meeting regularly in 2008 and grew rapidly.

Quickly outgrowing homes, our young church met on Sundays in the old Iron Butterfly Fitness Center. Again, soon needing more space, we were able to move and utilize the UMAC Studio, as well as our first dedicated Ministry Center adjoining the UMAC.

Continued growth, the purchase of property, and the anticipation of a new building project led us to our current location on Victor Heights Parkway.

We are excited that the Lord has provided 34 acres for us that will serve as the future, more permanent home of Victor Community Church. This tournament will help fund our new church building project!
